IN REMOVAL PROCEEDINGS

MOTION

ON BEHALF OF RESPONDENT: M. Audrey Carr, Esquire

ON BEHALF OF DHS: Terry M. Louie  
Senior Attorney

APPLICATION: Reopening; termination

ORDER:

On January 24, 2013, the respondent filed a motion to reopen and terminate removal proceedings without prejudice based on an approved U-1 visa. *See* 8 C.F.R. § 214.14(c)(5)(i). The Department of Homeland Security ("DHS") has opposed the respondent's motion, but does not dispute that she now has been granted U nonimmigrant status. Considering the circumstances presented, the proceedings are reopened under the provisions of 8 C.F.R. § 1003.2(a), and terminated without prejudice. The separate issues related to the respondent's ultimate eligibility for adjustment of status can be addressed before the DHS. The record is returned to the Immigration Court without further action.
