## **THE GLOBAL WORKFORCE: A FOCUS ON HUMAN TRAFFICKING AND GENDER-BASED VIOLENCE AND HARASSMENT**

Join our January webinar as we delve into the critical issues of gender-based violence in the workplace and the imperative to prevent human trafficking. This session aims to raise awareness, foster dialogue, and provide actionable insights for individuals and organizations committed to creating safe, inclusive work environments. Expert speakers will share strategies, best practices, and resources to empower participants in contributing to the eradication of gender-based violence and human trafficking. Together, let's build a future where every workplace is a space free from violence and exploitation.
