

SHARE FACTS NOT MYTHS ABOUT IMMIGRATION ENFORCEMENT

MYTHS

- 1 Only the most violent criminals are targeted for deportation.
- 2 Survivors applying for visas won't be deported.
- 3 Enforcement has been executed fairly, surgically, and humanely.
- 4 Increased enforcement makes survivors safer from abuse.

FACTS

- 1 Thousands with *no criminal history* are facing deportation.
- 2 Immigrant survivors with pending visas or residence are being deported before receiving application decisions.
- 3 Noncitizens supporting loved ones during court hearings risk being deported themselves.
- 4 Protections against deporting survivors of crime have been removed, further emboldening abusers to increase threats and harm.
